25 years

Construction Highlight: Rehabs at Violet Hollow and Emerald Hill

At Flatirons Habitat, spring cleaning took the form of fixing up two older Habitat homes, one at Emerald Hill and one at Violet Hollow. With the help of our fleet of volunteers, these two homes have been fully remodeled.

Thank you to everyone who attended our 2018 Spring Party!

Thank you to everyone - attendees, sponsors, donors, volunteers, and staff - who helped make our 2018 Spring Party a success. This year's event celebrated 25 years' worth of home-building and community-strengthening. As we reflect on this milestone and work toward serving even more families in our community, we are incredibly grateful for your support.

If you didn't get the chance to attend the Spring Party, but still want to support our mission, consider making a donation via Colorado Gives.

Flatirons Habitat receives \$10,000 grant from First National Bank

We are thrilled to be the recipient of a community development grant from First National Bank this year. These grants support organizations aiming to build, rehabilitate, or finance homes, and provide people with homeownership education and foreclosure prevention services. The \$10,000 grant will offer homeownership opportunities and educational programs to empower low-income individuals to achieve self-sufficiency and stability. Thank you to First National Bank for your continued support!

Flatirons Habitat is Richards, Seeley, and Schaefer's "Charity of the Quarter"

Thanks to Richards, Seeley, & Schaefer, Inc. for featuring Flatirons Habitat for Humanity as their "Charity of the Quarter" during April, May, and June. Not only will they be donating \$10 for every referral they receive, but they will be working at one of our build sites in June!
