

Building community for 25 years

A big welcome home to our Wonderland Creek families!

A huge congratulations to our four Wonderland Creek families, who closed on their new homes and moved in in early July! These families have worked hard to complete their sweat equity, homeowner education, and more, and we are so excited to watch them thrive as both homeowners and members of the community.

Check out our blog to view photos of the big day and read each family's bio.

Progress at King's Ridge construction site

After a rainy first weekend After a rainy first weekend of construction, we are picking up steam at our King's Ridge build site. We're looking forward to having volunteers join the build site in August, so stay tuned on Facebook sign-ups open up.

stay tuned on <u>Facebook</u> and <u>Twitter</u> to hear when If you're looking for something to keep you busy in the meantime, consider volunteering at the ReStore! Volunteer opportunities include merchandising, furniture repair,

donation procurement, and more.

To view and sign up for volunteer opportunities, visit our VolunteerHub site.

#25ReasonsWeBuild: Because Habitat homes lay the foundation for our community

After volunteering at the Wonderland Creek build site for more than a year, volunteers Bob and Kathy Wegner have come to appreciate the sense of community that Flatirons Habitat cultivates - both on off of the build site. Check out our latest blog to see why Bob and Kathy build.

- Construction Site Superviser
 ReStore Driver & Warehouse Assistant

"Connect Home" course focuses on making positive

personal choices This week, our amazing **AmeriCorps NCCC** member Holli launched a pilot of Flatirons Habitat's new Connect Home course at the refuge in Broomfield. Connect Home (formerly Blueprints) is a flexible series of one-hour courses covering topics key to achieving personal and community goals, ranging from relationships and health to finances and employment.

Holli's pilot course at the refuge focused on Emotional; participants learned to manage their reactions in emotionally difficult situations, identify their emotions resolve conflict, and more.
