

Hands-on for affordable housing

Faye Kent, left, and Barbara Trager prepare to mark a board while Linda Sanders works in the background at Flatirons Habitat for Humanity's King's Ridge project in Boulder, which will be home to three families when completed. Flatirons Habitat is holding its annual Women Build Week in conjunction with International Women's Day, which is Friday. There are opportunities to build today and Saturday, as well as a free tool clinic Sunday at Lowe's in Louisville. Learn more and register at flatironshabitat.org/womenbuild.
