

#HousingMatters

to families, to communities ... to everyone

Chamber After Hours showcases all there is to love about ReStore

It might have been the day after Valentine's Day, but there was still lots of love at our ReStore for the [Broomfield Chamber of Commerce's](#) Business After Hours on Feb. 15.

The event allowed us to showcase the amazing variety of items we receive every day at the store, [1 Park St. in Broomfield](#). The After Hours drew about 80 chamber members for speed networking; craft brew provided by [Big Choice Brewing](#); wine, which was provided in part by [Buenos Tiempos](#) restaurant; and pizza provided at a

deep discount by [iPie](#).

It also allowed us to highlight how every donation and every purchase made at the ReStore helps us as we work to make affordable homeownership a reality for more hardworking families in Boulder and Broomfield counties.

Don't know our ReStore? You can learn more about it [here](#) or on its [Facebook page](#). If you have an item to donate, call [303-404-2008](#) to inquire about free pickup.

Save the date! Our 2017 Spring Party is April 29

Mark your calendars and save the date: Flatirons Habitat's second annual Spring Party will be April 29 at [Pearl West](#) in Boulder.

The party, which was launched last year at the [Boulder Museum of Contemporary Art](#) and included food, fun, music, auctions and more, will feature more of the same this year at the exciting new venue.

Watch for more details as the date draws closer. In the meantime, if you would like more info on how to get involved as a sponsor, auction donor or as an attendee, email [Development Director Steve Hinson](#).

We can't wait to see you there!

Join our CU chapter for food, fundraising at area restaurants

Grab a bite and help our University of Colorado campus chapter raise money to support our work.

The CU chapter will be holding a fundraiser from 6 to 10 p.m. March 15 at [Rueben's Burger Bistro](#), 1800 Broadway in Boulder. Rueben's will donate 25 percent of proceeds to the campus chapter. Please RSVP by March 12 and go get a great burger and help a great cause, click [here](#).

Another fundraiser will be from 5 to 9 p.m. April 2 at [Aroma Cuisine of India](#), 316 S. McCaslin Blvd. in Louisville. Aroma will be donating 40 percent of proceeds to the

chapter. Please [RSVP](#) by March 30.

If you or someone you know would like to get involved with the CU chapter, [email](#) or visit its [Facebook page](#).

Polar Bear Builds still going despite warm weather of late

The calendar says its winter, but the weather of late doesn't seem to be on the same page. But even with the unseasonably warm days we've had recently, it's still Polar Bear Build season at Flatirons Habitat.

We're working hard to finish construction of four single-family homes at Wonderland Creek in North Boulder, as well as two flood-rebuilding projects in Jamestown, and we need your help. We have a particular need for volunteers on Thursdays and Fridays at both locations -- snow or shine.

Please come join us. And while we can't promise the weather will be as nice as it has been lately, we can promise we'll have you work indoors if it's too nasty, as well as the warm feeling you'll get from helping build affordable homes for ownership for hardworking families. We'll throw in a Polar Bear Build coffee mug, too.

Sign up/register to volunteer by clicking [here](#). We hope to see you soon.

Grace Lutheran finds way to help that fits perfectly -- no hard hats required

Grace Lutheran Church in Boulder wanted to get involved with Flatirons Habitat for Humanity, but working on the construction site wasn't the best fit. So, leaders instead looked for other ways to help. The result was well-fed staff and volunteers, and a family that felt well-loved this past holiday season.
