**Colorado Gives Day
just two weeks away!**

Wow, November already. We're excited for so much as the season of thankfulness and giving arrives, especially for [Colorado Gives Day](#) on Dec. 5.

Powered by ColoradoGives.org, a year-round website featuring more than 1,900 nonprofits, Colorado Gives Day is a statewide day of philanthropy. And thanks to the Community First Foundation and FirstBank, Colorado Gives Day features a \$1 Million Incentive Fund, one of the largest gives-day incentive funds in the country. Every nonprofit receiving a donation on Colorado Gives Day receives a portion of the Incentive Fund, which increases the value of every dollar donated.

Your donation, whether made on Dec. 5 or scheduled in advance, magnifies your giving power and helps us as we work to magnify our impact in the community. We are working hard to double our building capacity in 2018 and keep increasing it in 2019 and beyond. Why? Because our community needs more affordable and attainable housing options for hard-working families striving to build their futures.

We hope you're as excited as we are about the upcoming season, as well as the futures we are working so hard to help families build. If you are, please click [here](#) to donate to us on Dec. 5 or to schedule a Colorado Gives Day donation in advance. Together, we'll keep building homes and futures!

**Grab a burger, help our CU
chapter travel to help Habitat
International Hammer Back**

Our University of Colorado-Boulder campus chapter is raising money to travel to Texas or Florida in spring or early summer to get hands-on in Habitat Hammers Back, Habitat for Humanity International's hurricane rebuilding efforts. To make the trip possible, the chapter is busy fundraising. Your next opportunity to help will be Dec. 6 at [Rueben's Burger Bistro](#), 1800 Broadway in Boulder.

Rueben's will donate 25 percent of sales between 6 and 10 p.m. to the chapter. Just mention the CU Habitat chapter to make sure it receives the proceeds and enjoy a good burger for a good cause.
